PUBLIC NOTICE

Of COVID-19 testing

Baker, WV – Hawse Health Center with facilities in Baker, Mathias, Moorefield and Petersburg would like to announce that they will be performing free optional COVID-19 testing at each of their clinic sites as well as an additional site in Romney, WV on Saturday, June 13th between the hours of 10am and 4pm. The testing is open to the general public.

The locations are: Mathias (Old Mathias School Building), Baker (Hawse Health Center beside the HCEAA building), Moorefield (at the Michael Building across from the Post Office), Petersburg at Grove Street Health Center next to the Social Security Office and in Romney at the old Weimer's dealership next to the DMV building in Sunrise Summit. We would like to thank the Weimer automotive group for their help and cooperation in the testing.

The tests are free of charge to everyone but if you have insurance, please bring your card(s). There is no copay or cost to the public. Even if you have no insurance, the test is still free through State sponsored payment. People are requested to remain in your cars as you progress through the line.

Testing is available to all individuals, including asymptomatic individuals. Identification, such as a driver's license or proof of address, will be required to be tested. Those under the age of 18 must be accompanied by a parent or legal guardian.

NOTE: Testing will be conducted on a first-come, first-served basis.
